i, a living, breathing, flesh, and blood man :dash:©, a creditor, hereinafter the undersigned, state the ensuing being of legal age, sound body and mind. All responses and requests henceforth must be made in writing, signed under penalty of perjury required by law as shown in this lawful notice and demand, hereinafter contract. The law stated herein is for your clarification that the undersigned has not entered or agreed to enter into any foreign jurisdiction.

It has come to my attention that yourself, the Canadian government, including the RCMP, CRA, land registry and other Governmental agencies have wilfully been making injurious presumptions of unlawful and deceitful consents which prejudice my rights to Divine Law. You are attempting to associate i, a man with the all caps spelling of my Christian and surname which is in fact a trust previously associated with a Public Office in the Canadian government through a national insurance number that is attached to it. The following information is to clarify and render Null and Void all Unlawful presumptions and deceitful consents that you may have.

May i make it clear that neither yourself nor any other government officer has any kind of Plausible Deniability and from this date forward the record will be set straight.

The undersigned tendering this contract is by the creation of God a man and a creditor by fact; not:

This is now a matter of public record

The vessel in commerce known as DARRELL GERALD JOSEPH LALONDE© initially created as a trust, also known by identifying numbers BC 90-280411-0 by the Government/Parents for the benefit of the undersigned, as beneficiary on the fourth day of the seventh month in the year of Our Lord one thousand nine hundred and sixty-two a waiver of beneficial position was declared to take up the abandoned post of trustee to manage the affairs of DARRELL GERALD JOSEPH LALONDE© for the benefit of beneficiaries therein after named in registry of trust for the following reasons:

- [1] Full disclosure of the birth certificate contract was not given.
- [2] Matters are not being handled lawfully.
- [3] Matters are not being handled with efficiency.
- [4] Misuse of funds is a regular occurrence.
- [5] Fraudulent and deceitful activity is evident.
- [6] Position of Trustee is vacant or uncontested.

The private offset account established at the Bank of Canada will remain in full effect from the initial date of creation with the current office holder of financial secretary to the treasury being provided appointment to trust to continue as fiduciary.

Fraud gives the victim of the fraud the right to terminate his relationship to the government:

If a guardian behaves fraudulently to his ward, he shall be removed from the guardianship. Jenk.
Cent. 39

[Bouvier's Maxims of Law 1856]

The similarity in the names of the undersigned and the vessel in commerce, two distinct and separate legal entities, is a testament to the undeniable propinquity DARRELL GERALD JOSEPH LALONDE© originally an incorporeal creation of Government/Parents, is dependent upon and only

exists because of :dash: ©, a natural man of God's creation exists as a living, breathing, flesh and blood sentient being. The government, being an incorporeal entity can only engage with another incorporeal entity, and not a living, breathing, flesh and blood man. Therefore, the creation of a vessel in commerce, an ens legis, commonly known as DARRELL GERALD JOSEPH LALONDE© was a highly advantageous creation by the government for the government to interface with.

Since the birth of the undersigned, the government has utilised the credit and future sweat equity (earning potential) of the undersigned, establishing and operating a private offset account through the use of the vessel in commerce DARRELL GERALD JOSEPH LALONDE© without the knowledge, consent, or permission of the undersigned acting to the detriment of the beneficiary :dash;©, against the basic precepts of a trust.

During this time, the undersigned has unknowingly been functioning as the manager/ trustee of the trust, and signing as an authorised representative for the vessel in commerce. The undersigned has unknowingly functioned in this manner while signing cheques, applications for credit and notes on behalf of the vessel in commerce.

Now, the undersigned acts knowingly as manager of the trust. The undersigned has valid documentation waiving the government's beneficial position, which the government gained by the mistakenly assumed absence of the trust's beneficiary, :dash: ©. The trust was mistakenly assumed abandoned due to lack of full disclosure at the time of creation of the trust and the true beneficiary was considered dead at sea. It is now accepted that the undersigned is not only not dead at sea, but also that he is now a creditor, submitted as a matter of public record (DL-05112021-LND) in which :dash:© became beneficiary to DARRELL GERALD JOSEPH LALONDE©, giving him full control and full operating authority over the legal fiction DARRELL GERALD JOSEPH LALONDE© and also the position of beneficiary of the trust. It is also fully accepted that the government created the legal fiction DARRELL GERALD JOSEPH LALONDE© therefore they are also the trustees of the trust.

The undersigned having full control of the trust revokes all permissions to the government and or/any government corporations, agency corporations, political subdivisions or organisations to use the DARRELL GERALD JOSEPH LALONDE© TRUST, the name DARRELL GERALD JOSEPH LALONDE© , or :dash;© or trust in any fashion except by explicit written permission in direction otherwise. Said name belongs to the Trust in operation by trustees wherein the government and or agencies thereof have no control as secured party creditor the undersigned having full mental capacity and ability to contract as well as natural right to Trust holds a common-law trade-name, trademark, DARRELL GERALD JOSEPH LALONDE© as authorised representative (attorney-in-fact), as well as established validity of the power of attorney by continual non-contested use. The private offset account established in the name of DARRELL GERALD JOSEPH LALONDE© is now controlled by :dash: ©, as any such value was created from the credit thereof. Account will remain in effect with the appointment of a fiduciary.

The undersigned now tendering this binding lawful notice and demand, having herein above declared the undersigned's correct legal status and relation to Canada and to the said de facto (corporate) commercial Canada or by whatever name it may be currently known or hereafter

named, does hereby state that the declarations and statements made herein are the truth, the whole truth and nothing but the truth to the best of the undersigned's knowledge.

Acknowledged by the binding contract of silence is acquiescence, therefore the silence and acquiescence of the office of justin pierre james trudeau the wo/man, or JUSTIN PIERRE JAMES TRUDEAU the corporation, also but not limited to any public officers, agents, contractors, assigns, employees, and subsidiaries of said office, regarding the secured party creditor's notice and demand, is therefore accepted and agreed to be the truth.

With silence of the corporate office of mary may smon doing business as MARY MAY SIMON, the corporation and Her Right Honourable Governor General, ratifies severance of any nexus or relationship between the creditor :dash:© and the said Bank of Canada and the de facto corporate commercial Canada government; being fraudulently conveyancing and operating under colour of authority. Let this be known by the good faith, Oxford, doctrine to all men and women.

The undersigned gives no consent to any warrantless searches, or searches that are not in line with common law jurisdiction and authorised by a wet ink signature from a high court judge. This is so whether the undersigned's Trusts, dwellings, private conveyances, land, the undersigned themselves, including but not limited to their current location, property, hotel rooms, apartments, business records, electrical appliances, electronic records, electronic mail, machinery, vehicles, equipment, supplies, buildings, grounds, land in private possession or control of the undersigned or in Trust, past, present and future, now and forever more so help me God.

This Notice is in the nature of you as a man being put under caution using the police and criminal evidence Canadian Bill of Rights 1960 "You do not have to say anything. But it may harm your defence if you do not mention when questioned something which you later rely on in court. Anything you do say may be given in evidence." Take due heed of its contents. Their duty is to explain the importance and significance of this presentment as per your duty of the oath of office in respect to this private, formal witnessed security instrument.

As previously testified :dash: © nor DARRELL GERALD JOSEPH LALONDE©, are a citizen within; surety for; subject of; and do not owe allegiance, or fealty to any of the aforementioned or the like, and herein is forever rebutted by this counterclaim in admiralty.

The undersigned knows and comprehends, the Canadian and other governments are in fact not governments at all, but in truth are de facto colourable governments, wholly operating in commerce under and owned fully by the central banks which are private companies operating in commerce for personal private profit.

The undersigned knows and comprehends the CRA are in fact not government agents or in public service at all, but in truth are privately owned corporations wholly operating in commerce under and owned fully by the central banks which are private companies operating in commerce for personal private profit.

Magna Carta, which sets in place the definitive Trial by Jury, was formed and passed by a legislature of Barons, and received Royal Assent, being a written statute of government law , which governs the way in which government itself may operate. As Magna Carta is intrinsic to the constitution of the nation, it is repeatedly ratified when Britain's Heads of State swear, at their Coronation, to uphold the statutes of the government. By act of union with Scotland, Magna Carta is law throughout Britain and, in respect to timeless provisions determining the Trial by Jury, applies today. This definitive Trial by Jury is also enshrined within the Constitution of the United States of America and is ratified by presidential oath at inauguration.

Twelve sovereign "People" Magna Carta Court De Jure Jury of My Peers: In addition to any other rights or defences that are afforded to the undersigned by right and by this contract, the undersigned has the right to appeal to a "Twelve sovereign "people" Magna Carta Court De Jure Jury of their Peers" for the restoration of property, liberties, or rights of which the undersigned has been dispossessed by an "Oppressing Government" or it's representatives.

Should the Oppressing Government or representative thereof fail to restore the property, liberties, or common law rights of which the undersigned has been dispossessed, then the undersigned may by right of law bring the matter before a Court De Jure Jury of twelve peers and ask for relief of the transgressions of the oppressing government or representative thereof. At all times the decision of a majority of the Magna Carta Court De Jure Jury of twelve peers shall be considered binding and valid on the whole. And the aforesaid twelve shall swear that they will faithfully observe all the foregoing, and will cause them to be observed to the extent of their power. The oppressing government or representative shall obtain nothing from anyone, either through itself or through another, by which the powers of the Magna Carta Court De Jure Jury of twelve peers may be revoked or diminished. Divine law and divine power can only be held and administered by God. No earthly being can claim law or power above god. Hence any person of any rank attempting to usurp the divine nature of God is guilty of heresy and blasphemy.

Therefore, the act of a papal bull performed by pope Boniface VIII of Unum Sanctum was in fact and by grace of God Blasphemous and Heretical and could not stand In God's eyes. This very papal bull was rightly nullified in 1303 by pope Benedict XI.

In divinity and by the grace of God, nothing and no one on earth can own our soul as our soul is of God in the image of God and therefore divine in itself, being part of and attached to God. To say otherwise is blasphemous, heretical and a most heinous crime against God.

The Cestui Que Vie Act of 1666 and 1707 still remains in force in Canada. This notice does declare that I am not a dead entity at sea or on land. I am in fact a living, breathing, flesh and blood man, created by God in God's own image.

My flesh lives and my blood flows through God's miraculous works, therefore being a living man and not a person, a legal fiction, an ens legis or any other fiction you may wish to bestow upon a living man, does not stand. A corporation can only engage with another corporation, not a living man. You have no consent to attempt to do so. Be on Notice that Legal Entrapment is a serious crime not only against man, but against God and any and all transgressions will be prosecuted to the fullest on earth and forever paid for in God's own celestial kingdom.

Furthermore, when travelling on Her Majesty's highways, I do so in my :private: property bearing the marks :available upon request: all parties shall be informed, as to the :private: nature of the property, and that the mark [number] has been left on for show only for the purpose of allowing any agent to easily identify the private conveyance as non-commercial, :private: and confidential: and unless specifically requesting, in need of no service.

Regarding a right of passage

Ex parte Lewis (1888) 21 Q.B.D. 191 Wills J. said in regard to public right of passage:-

Notice to agent is notice to principal, notice to principal is notice to agent.

“The only ‘dedication’ in the legal sense that we are aware of is that of a public right of passage, of which the legal description is a ‘right for all Her Majesty’s subjects at all seasons of the year freely and at their will to pass and re-pass without let or hindrance.’”

By definition, a financial penalty procured through a pecuniary advantage, however called, is diametrically opposed to “without let or hindrance”. This is operating outside of Statute, as a human being cannot be levied by the State or company; only Juristic persons (legal entities) can be levied against.

Canadian Bill of Rights 1960; 1. It is hereby recognized and declared that in Canada there have existed and shall continue to exist without discrimination by reason of race, national origin, colour, religion or sex, the following human rights and fundamental freedoms, namely, (a) the right of the individual to life, liberty, security of the person and enjoyment of property, and the right not to be deprived thereof except by due process of law; (b) the right of the individual to equality before the law and the protection of the law; (c) freedom of religion; (d) freedom of speech; (e) freedom of assembly and association; and (f) freedom of the press.² Every law of Canada shall, unless it is expressly declared by an Act of the Parliament of Canada that it shall operate notwithstanding the Canadian Bill of Rights, be so construed and applied as not to abrogate, abridge or infringe or to authorize the abrogation, abridgment or infringement of any of the rights or freedoms herein recognized and declared, and in particular, no law of Canada shall be construed or applied so as to (a) authorize or effect the arbitrary detention, imprisonment or exile of any person;

To support the obligations of the Canadian Bill of Rights 1960 it clearly states on the inside cover of every Canadian passport “The Minister of Foreign Affairs of Canada requests in the Name of Her Majesty all those whom it may concern to allow the bearer to pass freely without delay or hindrance, and to afford the bearer such assistance and protection as may be necessary.

CASE LAW OF – R v Donovan [1934] 2 KB 498 at 507, [1934] All ER Rep 207 at 210. In delivering the judgement of the Court of Criminal Appeal Swift J, said:-

“If an act is unlawful in the sense of being in itself a criminal act, it is plain that it cannot be rendered lawful because the person to whose detriment it is done consents to it. No person can license another to commit a crime.”

Furthermore, case law Rice v. Connolly. Queen's bench division [1966] 2 QB 414, [1966] 2 All ER 649, [1966] 3 WLR 17, 130 JP 322 clearly states that i a man have the right to remain silent and am under no obligation to supply private and or personal details to another under any circumstances. This was proven yet again with case law Neale v DPP [2021] EWHC 658 (Admin) [23 February 2021]

Furthermore, case law Harvey v Director of Public Prosecutions [2011] EWHC 3992 [17 November 2011] clearly states by MR JUSTICE BEAN that the use of common parlance words can not be deemed offensive using the public order act 1986 §5.

Furthermore, case law WI 05257F David Ward and Warrington Borough Council appears to prove by way of the judgement that the United Kingdom Government does not actually exist, so

Notice to agent is notice to principal, notice to principal is notice to agent.

therefore, whoever is acting as an authority over the action of consenting, can not hold any over me as I give no consent.

With Halsbury's Administrative Law 2011 Halsbury's 4th Edition of Law 2011 confirms that administrative law is (nothing more than) an arrangement between the Executive and the Judiciary. And that the Law is absolutely clear on this subject. There is NO authority for administrative courts in this country, and NO Act could be passed to legitimise them.

Lord Diplock stated ... (its recorded in Halsbury's) "All administrative courts are illegal and can never be legislated into existence", performing administrative acts on behalf of the executive is incompatible with the terms of the Oath, which Judges take when they are created under Section 2 of the promissory oaths act 1868, which every Judge must take. A breach of that Oath is perjury. (See Perjury Act 1911 Sec 5)

All Administrative Courts are unlawful "Actions which overthrow and subvert the laws and Constitution of the Kingdom and which would lead to the destruction of the Constitution are unlawful". The case of R V Thistlewood (1820) established that "To destroy the Constitution of the country is an act of treason".

To add: Administrative Law (so called) forms no part of 'the laws and usages of the realm' – Which Judges swear to the Sovereign to uphold via promissory oath that binds them to a specific course of conduct – otherwise they cannot be said to perform their judicial duties impartially. This was confirmed by Lord Denning during the debates on the European Communities Amendment Bill, HL Deb 08 October 1986 vol 480 cc246-95 246 at 250:

"There is our judicial system deriving from the Crown as the source and fountain of justice. No court can be set up in England, no court can exist in England, except by the authority of the Queen and Parliament. That has been so ever since the Bill of Rights." Or The declaration of rights of 1688 actionable actions of a human being or corporate persona

The Bill of Rights, stemming from the Declaration of Rights, made all star-chamber courts unlawful. All administrative courts are in essence star chambers, i.e. not subject to the normal rules of evidence – not common law courts. Administrative hearings are subject to the consent of ALL parties.

In reference to non-compliance of orders made by an Administrative hearing and the claim of contempt of court Re: Contempt of Court. Archbolds 2011: chapter 28 section 11 page 2/1145

In Attorney General V Newspaper Publishing PLC. And others (1988) Ch 333 (Civ Div) Sir Donaldson M.R. said "That the mens rea in the law of contempt of court was something of a minefield. This was that it was wholly the creature of the common law".

It is my belief that all courts in this country are now administrative hearings and not a common law court. There is no act of parliament that gives authority for an administrative hearing. A judge that acts contrary to their judicial oath can suffer a commercial lien as can any individual that causes a tort.

I give no consent to the procedure of any hearing. I will only attend a common law court as is my right.

A government, parliament/congress or legislature cannot, by legislative assertions, recite itself into constitutional power.

A constitution is a code of laws and customs (legem terræ; the law of the land; common law; the trial by jury justice system) established by the people of a nation for the guidance and the legal and lawful control of its government, by which to preclude tyranny and lawlessness a constitution may be amended only at the behest and by the active participation of the great mass of the people and not by government.

The people create the government, therefore a government can not be above it's own creator. As distinct from supreme constitutional customary common law, *statute* is created by a government as legislature and is Not Law. The Great Charter is a constitutional inscription of the common law of the land, which excludes all laws made by monarchs or government. It is the Supreme Law that governs the government and it is rightly called The Constitution.

Statutes may be amended or repealed by subsequent administrations, but no parliament made Magna Carta. No parliament can change or impinge upon the common law of Magna Carta. Through the supreme authority of the people's Trial By Jury, the law of the land, the THE CONSTITUTION ACTS 1867 to 1982 GOVERNS the government. Statute legislation can never be law and this is witnessed by divine law under God alone to which no government can trespass.

With this in mind note, that it has been confirmed by the esteemed Chandran Kukathas PhD of the Department of government and London School of economics, that the state is a company of no greater standing than McDonald's. Also note it has been confirmed by the right honourable Lord justice of appeal Sir Jack Beatson FB A at the Nottingham and Trent University in 2008 that the office of the judiciary is a sub office of the State Company and that a judge in the position of officer for a court Carries no greater authority than the janitor at McDonald's.
